Hello again,

Yes, the 2020 National Veteran 1&2 Cylinder Rally, (rescheduled to 7th to 13th April 2021) is still set to go ahead.

The rally may look a little different from what we were planning but we are very pleased to have Charleville working with us to ensure a COVID safe environment.

Following the council elections last year, Charleville has a new mayor and he, "Zorro" (Shaun Radnedge) is eager to welcome us to his Murweh Shire.

So, barring any nasty hotspots, bubbles or border closures, we will see you all in Charleville for what still promises to be a real outback experience.

Remember, the final date to be a paid up entrant is the 31st OF THIS MONTH.

We have 13 new entrants thus far, which exceeds the number who had to withdraw due to the change of the date.

We are now expecting over 80 entrants.

Many of you still have your meals forms in the system. There may have to be updates to the meals so as soon as we get meals finalised for this year we will get that to you. At the same time, for those of you who have no meal forms in as yet, you will receive a meals form as well.

Best regards
Graham Donges.
